**Dear sir,**

**REQUEST FOR CHANGE OF PRAGRAM FROM COMPUTER SCIENCE TO  
SOFTWARE ENGINEERING**

I TOCHUKWU EMMANUEL KELECHI, with matric number DUO922 is witting this letter to inform you on my decision to change my course of study from computer science to software engineering.

After my careful consideration and logical thinking, and reflection of my academic and career goals, I believe that this change will letter align and suite my aspiration and goals.

I have been passionate about programming and software development, and I have come to realize that pursuing a career path in software engineering will provide me with the desired skills I want to obtain. I am excited to prospect of having to obtain deeper knowledge on software architecture, UI/UX designs, Web and mobile development and their methodologies, and also learn and get more familiar with technologies like HTML, Scripting languages like Java, JavaScript, Python and more languages. I am confident that this change will enable me to pursue a career that is in the world;s trend.

I understand that there may e certain administrative procedures and requirements associated with changing my course of study, and I am committed to fulfilling any necessary step to ensure a smooth transition. I will appreciate your guidance and support in this process. I am confident and assured that this decision is the right one for me and I am ready and eager to embark on this new academic journey. I am grateful for the opportunity that **DOMINION UNIVERSTY** has provided me, and am committed to make most of my education in software engineering.

Thank you for your attention to this matter, I look forward to your support as I make this attention, and am excited about the possibilities that lies ahead.

YOUR SINCERELY,  
SINGED:  
TOCHUKWU EMMANUEL KELECHI.
